CASHEW NUT PEELING MACHINE

Key Features:-

- * Production Rate: -50kg/hour
- * Peeling Clearance: -95%+
- * Compact and Superior Design.
- * On-site Service Support
- * Spare Parts easily available.
- * Used Standard Pneumatic Spares.

- * Material Stainless Steel
- * Also Models Available in 100, 200 & 300kg/hour Capacity

Technical Specification:-

- * Height: -34 Inch
- * Width: -24 Inch
- * Length: -84 Inch
- * Net Weight: -80kg
- * Compressor: -10HP, Screw Compressor
